

Year 3 - Homework Grid – Autumn Term

The BIG question – What made the human body so important to the Ancient Egyptians?

All children at Trimley St Mary will receive a homework grid each term. This homework is **OPTIONAL**. **You may like to complete one of the activities below each week to hand in to your teacher or you can upload work to your SeeSaw page.** (We recognise that some of these activities might take longer than one week) Regular reading, maths and spelling activities should continue to be practised – please see the grid on the back for more details.

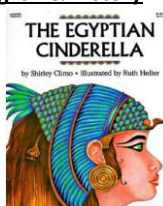

Art

Find a pebble and paint or draw a scarab beetle!

You could take a photo and upload it to your SeeSaw page, or bring your masterpiece into school. We'd love to display your art work!

English & History

Enjoy listening to the story of The Egyptian Cinderella. https://www.youtube.com/watch?v=EFMi_X44-QA&t=101s Choose to either retell the story or write about your favourite part of the story. Take a photo of your writing and upload to SeeSaw or bring your work into school.

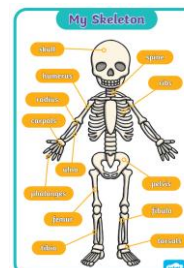

Science – Animals: Movement & Nutrition

What does your skeleton do? Use information books or the Internet to answer this question. This website has lots of information and short films that might be useful too.

<https://www.bbc.co.uk/bitesize/articles/zf284xs#zvwwkty>

Make a simple poster to show us what you've learnt. Include diagrams with labels. Or you take photos for your SeeSaw page.

PE

Let's get physical and "Walk like an Egyptian!" Why not try singing along to this song and trying out these dance moves!

Click on the link or scan the QR Code!

<https://www.youtube.com/watch?v=3gAI9bGD9g4>

Film yourself dancing and upload to SeeSaw!!

Geography & Design Technology

Find out all about volcanoes – this website has lots of information.

Create your very own volcano – you could draw or paint one (include labels) or if you're feeling DARING, you could create a model of a volcano!! Use building blocks, Lego, construction kits etc, or even junk modelling materials!!

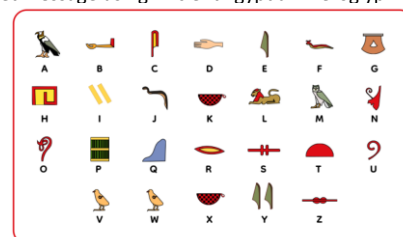

<https://www.bbc.co.uk/bitesize/articles/zd9cxyc#zdbvyywx>

Choose how you'd like to present your work – either upload it to SeeSaw or bring it into school.

Art & English & History

Make a scroll, decorate it, and write your name or a secret message using Ancient Egyptian hieroglyphics.

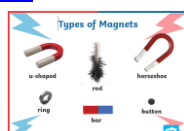

Take a photo and upload it to your SeeSaw page, or bring your masterpiece into school. We'd love to display your work!

Science – Forces and Magnets

Use information books or the Internet to find out more about Forces and Magnets. This website has lots of information and short films that might be useful too.

<https://www.bbc.co.uk/bitesize/articles/zh9r2p#zcftrd>

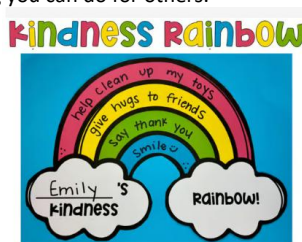

Make a simple poster or information book to show us what you've learnt. Or you might like to take photos for your SeeSaw page! It's up to you Super Scientists!

PSHE – Connecting with others – Showing

Kindness

Being kind and doing kind things is something that helps everyone to feel good and build relationships – including the person doing the kind thing! Create your very own "Kindness Rainbow". Draw a big rainbow and, in each colour stripe, write or draw one kind thing you can do for others.

Maths

Keep practising all your number facts and times tables. **Hit the Button** is a great website where you can do this. Click on the link or scan the QR Code!

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Daily practice of key skills allows children to become more fluent and more confident, and gives them the chance to build on this knowledge. In reading, maths and phonics/spellings it has been shown that children who regularly practice skills and complete activities in a range of contexts are better able to apply these skills in all areas.

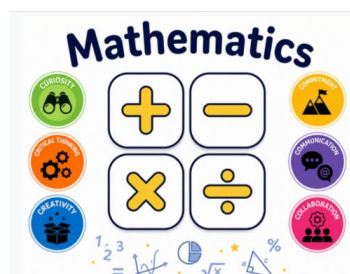

Daily reading – Share your Reading or Library Book, or a book of your own, with a grown up. Enjoy talking about your book and answering questions. **Don't forget to complete and return your Reading Challenge Slip every Friday** – house points, raffle tickets and class prizes are available, as well as being entered into the whole school draw to win more prizes.

Spelling practise – Don't forget to keep practising to spell the Year 1, Year 2 and Year 3 CEWs – you'll find the words you need to practise in the back of your Reading Diaries.

Your teachers LOVED seeing your wonderful work last year - a huge thank you for your continued support and encouragement. We can't wait to see what you create in Year 3!! Please do not hesitate to contact your child's teacher if you have any queries about any of this.

Mrs Lee & Mrs Allen elm@trimley.net &
Miss Ives ash@trimley.net

Marvellous Maths – We will send home BMBT, CLIC & SAFE papers each week – you might like to look at these with your child too. Don't forget to keep practising your times tables on Times Tables Rock Stars (TTRS). We will check our Class Leaderboard regularly to see your progress. You can also find lots of games and challenges on Purple Mash.

MC Grammar has created a RAP for every times table! Why not search for these on You Tube!!

TopMarks is another great website too.

<https://www.topmarks.co.uk/>

We will post additional challenges and suggestions on SeeSaw too!
